No. 1 School district,	.48
Town School district,	.32
Precinct original,	.50
Precinct addition,	.26

SELECTMEN'S REPORT

To the Taxpayers and Citizens of Bethелеhem :

It is only just that you should know where and how the money raised by the town has been used, and we have tried to show this in the itemized accounts of this report. Included in A. C. Atto's account as Road Agent are \$1,249.06 of the expense of the Bank Wall and grading necessitated by a complete collapse of the old wall, sidewalk and part of the roadway on Agassiz street, and for which no appropriation was made by the town, but costing in the aggregate \$1,384.06.

It was found necessary to replank the Pierce Bridge. This with an unusual number of bridges and culverts to be covered this year accounts for the large sum paid for planks.

Over 4,000 feet were used on this one bridge.

No appropriation was made by the town to carry out its vote to put up guide boards and street signs where needed in the town but the work has been done at an expense of \$86.63.

Among other extra expenses has been perambulating the town lines, which should have been run before. An extra expense in getting the stringers in place on Pierce Bridge for which the town appropriated \$250.00 but which cost \$275.00. The dropping of assets of land sold for taxes of Ed. Lynch and Will Whitecomb \$16.78. Will have dropped as an asset of the town the strip of land purchased of F. M. Gardner and now covered by a sidewalk. The list of taxes abated is at first sight large, but some of these have been carried as assets of the town for some years, although absolutely valueless and it was thought best to cut them out even though it made a bad showing for the present year. There are other extras which have had to be met during the year but we have paid all just bills presented and the town is \$808.81 better off than one year ago.

Respectfully submitted,

H. A. HILDRETH

JOHN WHYTE,

L. F. SWETT,

Selectmen.

Alex. Walker, non-resident,	2.30
Joe Walker, non-resident,	2.30

\$184.16

PERMANENT HIGHWAY JOINT FUND ACCOUNT

After careful consideration of the subject of how best to expend and lay out the joint funds for permanent highway, the selectmen decided to put in a bid for the contract for the town, and lay out the money by actual days work under the supervision of some competent man: and selected as such overseer Woodman L. Wallace, whom we believe to be the right man in the right place. The work done shows for itself. Below is an itemized account of receipts and expenditures.

RECEIPTS.

Town contribution,	\$1,294.50
State contribution,	517.60
	<hr/>
	\$1,812.10

AUDITOR'S REPORT.

I hereby certify that I have examined the accounts of the Commissioners and Treasurer of the Water Department of the Bethlehem Village Precinct and find them correctly cast and properly vouched and a balance of \$1,281.65 in the hands of the Treasurer.

I have also examined the sinking fund account and find it as stated in the Treasurer's report—\$4,295.10.

GEO. H. TURNER, Auditor.

February 16, 1907.

ANNUAL REPORT
OF THE
TOWN SCHOOL DISTRICT
FOR THE
FISCAL YEAR ENDING FEBRUARY 15, 1907

To the Citizens and Taxpayers of the Town School District:

We herewith present the annual report of the schools of the district for the past fiscal year.

Your schools have been maintained in good order, with capable teachers in charge, and we hope the work accomplished will meet with your approval.

As usual the work has been retarded to some extent by the continued indifference of some parents about sending their children to school every day that the schools are in session. The law is very stringent in regard to this matter, and we certainly hope it will not be necessary for us to resort to such extreme measures, but the many certainly should not be made to suffer for the carelessness of a few.

We have deemed it advisable during the year to close the schools at Cherry Valley, South Road and Agassiz the small attendance and consequent lack of interest in these schools making it apparent to your board that a change was necessary. The items of transportation, and in some cases tuition, are in part explained in this way, as we have in every case made satisfactory arrangements for the accommodation of all scholars at some other school.

In the line of repairs we have had the Junction and Hol-

low school buildings painted, and the Agassiz school re-clapboarded and painted.

Regarding text-books, we have made an exchange in Geographies, replacing the old and much worn edition, with the Morton, a new and up-to-date book.

The amount paid for tuitions being one of the large items of expense to the district, we offered a list of the pupils on whom tuition was paid the past year, the rate at Littleton High and Bethlehem High being the same, \$1.00 per week.

At Littleton High.—Roy H. Abbe, 1 term; Clyde L. Graham, 3 t.; Edw. H. Bishop, 3 t.; Allen E. Hazen, 2 t., Harry J. Bishop, 3 t.; Maud Cassidy, 2 t.; Ralph B. Hildreth, 1 t.; Lillian S. Cheney, 3 t.; Eva F. Ladd, 3 t.; Harriet L. Stegman, 2 t.

At Bethlehem High.—Bessie Abbe, 2 terms; Alice Kay, 1 t.; Helena Bodwell, 2 t.; Mary Ramsey, 2 t.; Florence Johnson, 2 t.; Eva Gay, 1 t.; Julia Lewis, 2 t.; Fanny Seymour, 2 t.; Agnes Ramsey, 2 t.; Iney Whitcomb, 1 t.; Edna Daggle, 1 t.; Ray Johnson 2t.; Eva Gay, 1 t.; Phil Sheridan, 1 t.;

Intermediate—Frank Ramsey, 2 terms, Clarence Simonds, 1 t.; Phil Sheridan, 1 t.;

Grammar.—Harry Ramsey, 2 terms; Walter Canham, 2 terms; Ada Canham, 2 terms.

Primary.—Walter Ramsey, 2 terms; Edward Enderson, 1 term.

An itemized statement of receipts and expenditures will be found in the Treasurer's report following.

Respectfully submitted,

F. C. ABBE,
JOHN WHYTE,
W. C. BARTLETT,

School Board.

REPORT
OF THE
BOARD OF EDUCATION
OF
SCHOOL DISTRICT NO. 1.

The course of school affairs has run smoothly and pleasantly the past year and the schools may well be credited with a record of successful work. While the Board of Education has endeavored faithfully to exercise its duty of direction and supervision, yet to our band of faithful and efficient teachers, all educated and trained for their profession, must be given credit for the progress so evident in the record of the pupils. The District has been fortunate in the benefit a third year of the services as Principal of Mr. Fred W. Wallace. Intelligently and loyally, and with whole heart in his work, he has devoted himself to the welfare of the schools. Possessed of the esteem and confidence of pupils and citizens, his influence for good is felt not only in the schools but in the community. After more than two years of very fine work as teacher in an intermediate department, Miss Agnes Buckley left us at the close of the last school year, yielding to the allurements of matrimony. Her place was given to Miss N. M. Sanderson, a Normal graduate and with teaching experience, who is doing faithful work. At the close of the fall term, Miss Mary E. Munsey, our efficient assistant in the High school, had to leave us for personal and family reasons. Cultured and well equipped for the work she has given us fine service for three years. Miss Margaret, Shields of St. Johnsbury, Vt., graduate of Holyoke College, Massachusetts, succeeded to her work, at the beginning of this present term.

By a vote at the last annual school meeting the Board of Education was authorized and instructed to install a steam heating plant in the school building, to heat the six school rooms and the two halls. Two hundred dollars was voted toward the cost of same, and the Board of Education, in the name of the District, was instructed to give its promissory note for the balance. The plant was installed during the past summer and has given the schools a greatly improved heating service. A little more radiating surface, in two localities, is to be added at the expense of the contractor. The contract price for the plant was \$968. The total cost of the work, including carpenter and painter labor, the construction of furnace house and coal bin was \$1090. A note of \$890 is now held by the Littleton Savings Bank.

Our High School is one approved by the State Superintendent of Public Instruction, which means that our course of study must be of the same standard as other schools in the state. The standard each year is being raised, the requirements increased, involving additional expense in the maintenance of our High School. Fortunately the condition carries its own reliefs from expense that would otherwise be burdensome. As an approved High School scholars from other districts and towns can come to us under state authority, the state and the towns or districts bearing the tuition cost. With added receipts from tuition scholars the past year we have been able to meet the cost of equipments required by the State Superintendent, among the rest, apparatus for the teaching of Physics and Chemistry meaning one single cost of about \$160. The annual school meeting is called for Wednesday, March 13, at 2.30 o'clock p. m. The Treasurer's report will then be submitted and will show that the cost of the schools has been kept within the appropriations.

GEORGE T. CRUFT,	}	Board of Education.
CYNTHIA A. KIDDER,		
H. S. KNOWLES.		

VITAL STATISTICS

FOR THE

YEAR ENDING, DECEMBER 31, 1906.

Births Registered in the Town of Bethlehem, N. H., for the year ending Dec. 31 1906.
